

All in One 17" Energy-Saving, Touch Screen

17" all-in-one computer featuring the Intel® Atom® processor. Low power-consumption, dual NIC and integrated bootable Compact Flash make the Evergreen LT an ideal all in one computer for a variety of settings.

With an IP64 rated front panel, the Evergreen computer can be wiped down without damaging the unit. The sealed front of this integrated panel PC ensures the unit remains dust-free in harsh environments. Fanless operation offers reliable and noiseless computer performance.

With 100mm x 100mm VESA support, this PC can be mounted in a variety of environments including carts, wall stations, cabinets, and kiosks.
