

All in One 19" Touch Screen, IP64 Front Bezel

At only 3.3" deep, VITA Pro is ultra-slim in size, but powerful in performance. With the Intel® Core™ 2 Duo processor, a high-contrast, fast-response 19" widescreen, 5-wire resistive touch, two Gbit LANs, and numerous I/O ports, including two serial ports, VITA Pro is a true workstation.

The IP64 rated front panel is dust-resistant and water-proof, and can be cleaned using disinfectants without damaging the unit. In dirty environments, VITA Pro's sealed front panel keeps dust particles from getting inside.

With its durable design, the VITA Pro is a suitable workhorse for a variety of environments.

## Specifications

### Operating System

Windows® Vista® Business or  
Windows XP Professional

### Processor

Intel® Core 2 Duo up to T9400

### Chipset

Intel® GM45 + ICH9M

### Memory

Up to 4GB DDR2 SDRAM (2 SO-DIMMs)

### Video / Multimedia

Integrated Intel GMA 4500 graphics  
*Optional:* Web camera with microphone

### Monitor

19" LCD, 1440 x 900 resolution  
IP64 Certified Front Panel  
5-Wire resistive type Touch Screen  
LCD on/off button, brightness down/up, volume down/up

### Storage

Up to 320GB SATAII 2.5" hard drive  
DVD/CDRW combo drive  
Internal Compact Flash Type II slot (bootable)

### Audio

Integrated audio, two integrated 3W speakers

### Keyboard / Pointing Device

Internet keyboard, Optical wheel mouse  
*Optional:* Multi-function cordless keyboard & mouse

### Network Interface

Two Integrated 10/100/1000 Gbit LANs

### Wireless

Mini PCI Express card Wireless LAN 802.11a, g, n  
*Optional:* Bluetooth v2.0

### I/O Ports

Six USB 2.0 ports (4 x bottom, 2 x side)  
Two serial ports  
Two RJ45 ports  
One HDMI port  
One VGA port  
One audio port  
One power switch, one power jack, one reset button

### Expansion Slots

One mini PCI Express

### Dimensions / Weight

32 to 104" F with HDD  
32 to 113" F with CF card or SATA interface 2.5" SSD HDD

### Dimensions / Weight

18.7" W x 10.2" H x 3.31" D / 13.67 lb without stand  
VESA mount, 100 mm x 100 mm

### Power

DC 12V input

### Certification / Safety

UL, CE, CB, FCC

### Limited Warranty

1-year parts & labor
